IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Patent Application of:

Ton LOGTENBERG and Cornelis A. John DE KRUIF

Application No.: 09/284,107

Filed: October 25, 1999

For: METHODS AND MEANS FOR SELECTING
PEPTIDES AND PROTEINS HAVING
SPECIFIC AFFINITY FOR A TARGET

Group Art Unit: 1639

Examiner: T. Wessendorf

REQUEST TO ACCEPT ADDITIONAL FEES

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby requests that the Commissioner accept payment of the sum of \$382 for the reasons provided below.

Upon review of the undersigned's files concerning the instant application, it was discovered that a multiple dependent claim was not properly identified and thus the appropriate claim fees were not correctly paid.

The instant application was filed on April 7, 1999 with 12 claims and a preliminary amendment that converted claims 5, 6, 8, 9, and 10 from multiple dependent to single dependent status. Based on this, the claim fees were paid as follows: 12 total claims with 5 independent

claims. The 2 (from 5 - 3 allowed independent claims) excess independent claims were recognized and an additional \$156.00 (2 x \$78.00) was included with the filing fees.

The undersigned discovered on August 28, 2003, that of the original 12 claims filed with the instant application on April 7, 1999, claim 11 was multiply dependent from claims 1-10. Thus the multiple dependent status of claim 11 was not identified at the time of filing of the instant application, and it appears to have been treated as one of the 5 independent claims identified at the time of filing. To the undersigned's knowledge, the misidentification of claim 11 was not identified until August 28, 2003.

Therefore, and in light of the dependency of claim 12 from claim 11, fees for a total of 30 claims (10 claims in claims 1-10, 10 claims based on the multiple dependency of claim 11, and 10 claims based on the dependency of claim 12) were due at the time of filing of the instant application. Additionally, fees for a multiple dependent claim were due. There was, however, an overpayment of \$78.00 because claim 11 was not an independent claim.

A summary of the fees that should have been paid, with subtraction of the overpayment, is as follows.

Claims	Number filed	Number extra	Rate	Amount due
Total claims	30 - 20 =	10	\$18 (current)	\$180
Independent claims	4 - 3 =	1	\$78 (paid on 4/7/99)	
Multiple dependent claim(s)			\$280 (current)	\$280
Overpayment of one independent claim on 4/7/99			\$78	-\$78
Total due now				\$382

The failure to make timely payment of these fees was inadvertent and without deceptive intent.

Please charge our Deposit Account No. 03-1952, reference number 313632000600, in the amount of \$382.00 covering the fees as would have been necessitated by the claims as originally filed.

The Director is hereby authorized to charge any deficiency in the fees previously paid or which should have been paid, or paid herewith to our Deposit Account No. 03-1952, under Order No. 313632000600. A duplicate copy of this paper is enclosed for that purpose. No authorization to charge the issue fee is granted.

Dated: September 2, 2003

Respectfully submitted,

By 

Kawai Lau, Ph.D.
